

RYNOWORX combines a comprehensive knowledge of the Asphalt Industry with a desire to learn and grow from our customer feedback, to bring you top-of-the-line unique products. Our team seeks out opportunity in our designs, improving on real issues that you and your team face on the job site. RynoWorx brings innovation to our industry, making crack fill melter applicators and kettles that are built safer, tougher, and better, to help you Maximize your Business.

Our customers have been really happy with their RynoWorx equipment. They comment on the 'on-the-fly agitation' and the flame-out sensor the most. Makes their jobs go faster, so they can get more done in a day. That is money in the bank when you operate a small business.

RY10MK-PRO **MELTER KETTLE**

THE RY10MK-PRO MELTER KETTLE

The RY10MK-PRO is a portable Crack Fill Kettle designed to be free standing or optionally bolted to any truck or trailer. Its heavy-duty molasses valve allows you to control the flow of material into any pour-pot or bander. Safety, reliability and efficiency combine in this machine to create a contractor's must-have.

SPECIFICATIONS

Fluid Capacity	10 US Gallons
Kettle Steel Thickness	14 Gauge
Empty Weight	123 lbs/ 55.9 kg
Full Weight/Fluid Capacity	221 lbs/ 10 Gallons
Fuel Type	Propane
Max Fuel Pressure	1/2 psi
Burner Type	60,000 BTU/hr Sealing Burner
Valve Type	2" Molasses Valve
Agitation Type	Manual

PRODUCTIVE

- Melts crack sealant up to 50% faster than torch-fired models and allows you to melt enough filler to apply up to 4,800 feet of crack filler per day.
- The sealed burner consumes nearly 50% less fuel than traditional torch-fired melter applicators.

RELIABLE

- The patented sealed burner is shielded from the elements and virtually eliminates flame-outs by wind, which are common to torch-fired models.
- The unique glycerin-filled thermometer is highly resistant to damage caused by constant vibrations during regular use, which ensures a reliable temperature reading every time.

EASY TO OPERATE

- No more wasting time searching for a striker, lighter or matches. Starting a melter has never been easier with our push button electric ignition.
- Molasses valve for conveniently and quickly dispensing melted crack fill.

SAFETY BUILT IN

- Kettle is equipped with adjustable safety clamps, which helps keep your lid securely fastened while moving from job to job.
- The unique sealed burner is equipped with a CSA / UL approved flame-out sensor which detects flame-outs and prevents fuel from flowing to the burner.
