THE RY10MK-PRO MELTER KETTLE

The RY10MK-PRO is a portable Crack Fill Kettle designed to be free standing or optionally bolted to any truck or trailer. Its heavy-duty molasses valve allows you to control the flow of material into any pour-pot or bander. Safety, reliability and efficiency combine in this machine to create a contractor's must-have.

SPECIFICATIONS

Fluid Capacity	10 US Gallons
Kettle Steel Thickness	14 Gauge
Empty Weight	125 lbs / 56.8 kg
Max Capacity Weight	223 lbs / 101.4 kg
Fuel Type	Propane
Max Fuel Pressure	1/2 psi
Burner Type	60,000 BTU/hr Sealed Burner
Valve Type	2" Molasses Valve
Agitation Type	Manual

PRODUCTIVE

- Melts crack sealant up to 50% faster than torch-fired models and allows you to melt enough filler to apply up to 4,800 feet of crack filler per day.
- The sealed burner consumes nearly 50% less fuel than traditional torch-fired melter applicators.

RELIABLE

- The patented sealed burner is shielded from the elements and virtually eliminates flame-outs by wind, which are common to torch-fired models.
- The unique glycerin-filled thermometer is highly resistant to damage caused by constant vibrations during regular use, which ensures a reliable temperature reading every time.

EASY TO OPERATE

- No more wasting time searching for a striker, lighter or matches. Starting a melter has never been easier with our push button electric ignition.
- Molasses valve for conveniently and quickly dispensing melted crack fill.

SAFETY BUILT IN

- Kettle is equipped with latches, which help keep your lid securely fastened while moving from job to job.
- The unique sealed burner is equipped with a CSA / UL approved flame-out sensor which detects flame-outs and prevents fuel from flowing to the burner.
